

Shimane University (Shimane Prefecture)

Train Closely with the Local Education Community Amid the Deeply Rooted Traditional Culture of Provincial Japan

◇Introduction to Shimane University

As a mid-sized university, students at Shimane University have the opportunity to learn in a warm and friendly environment more typically associated with smaller colleges. Professors provide kind support and guidance to all students, and are readily available to foster enduring professional relationships through seminars, laboratory work and field work. This is but one of the many positive characteristics of Shimane University.

Matsue city is surrounded by abundant natural beauty, including the Sea of Japan, Lake Shinji, and the Chugoku Mountains. It's also well-known as an International Culture Tourist City that retains many historical sites and traditional culture, such as Matsue Castle, shrines, temples, hot springs, and Japanese tea and sweets.

Since there are few foreign residents living in Shimane, studying at Shimane University provides an excellent opportunity for applicants to immerse themselves in the Japanese language and culture. The international students of Shimane University are able to enjoy a wide variety of activities and international events with Japanese students both on and off campus. Matsue is also a very safe city, especially when compared to other major cities. Climate-wise, Matsue is very temperate. While it may snow occasionally during the winter, the weather is quite comfortable throughout the year.

【International Exchanges】(As of Oct. 1, 2021)

-Universities with exchange agreements: 103 universities in 28 countries

-Total Number of International Students: 214

-Number of Teacher Training Students (2011-2021)

Myanmar 3, Indonesia 2, Kenya 2, Liberia, Thai, Vietnam, Belarus, Morocco, Lithuania, Fiji, Malawi, Korea

◇Outline for the Course

○Characteristics

Personal coaching related to schools and educational facilities in neighborhood

① Number of students to be accepted:

10 students

② Preparatory Japanese Language Education

Students are requested to take Japanese Language Course at University designated by Monbukagakusho for the first six months. Shimane University also offers Japanese Language Lesson.
