

Exchange student program

Minnan Normal University is a key construction university in Fujian Province, a provincial first-class university, a national first-class professional construction university. It has a complete talent training system for undergraduates, masters, and doctors. It is approved by the Ministry of Education to recruit international students. In order to promote Minnan culture (Southern Min culture), the university offers this program for international students who are interested in Chinese culture and want to promote cultural exchange between China and other countries. International students are warmly welcomed to come to MNNU for short-term study or visit.

I. Application Requirements

Applicants should be healthy and well-behaved non-Chinese citizens with certain economic capability, holding valid foreign passports. When in China, all international students must abide by the laws of Chinese government and rules and regulations of the university and respect Chinese traditions and customs.

II. Medical Insurance

All international students are required to pay for medical insurance during their study in MNNU. Those who don't purchase insurance according to the requirements cannot register at the university.

III. Catering and Accommodation

Minnan Normal University prepares well-equipped dormitories for international students. Restaurants, supermarkets and sport facilities can be easily found on campus. Hospitals and shopping streets are located near the university. The life in the university is very convenient and comfortable. Every dormitory is equipped with a water heater and an air conditioner, and has access to the Internet.

There are two types dormitories in our school. The international students can choose according to their personal wishes and actual circumstances.

1. Yifu hotel double room
2. School dormitory quadruple room

IV. Application Method and Materials

1. Scanned copy of Foreigner's Physical Examination Report.
