Becoming a Gold Medalist

Train like a champion with UTaipei's elite coaching team! Experience professional workouts, learn Olympic-level techniques, and discover the power of teamwork, dedication, and fun. No pressure—just bring your passion and energy. The gold medal spirit starts with you!

Plan Your Own Metropolis

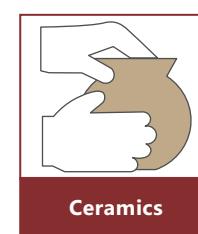

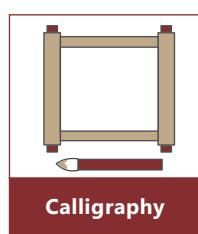

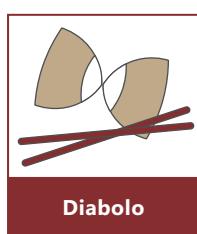

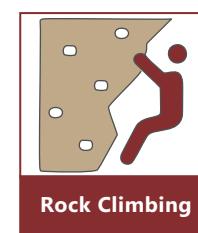

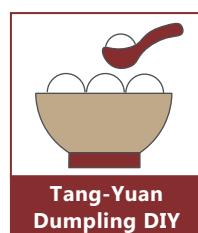

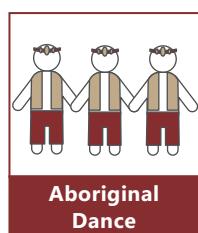

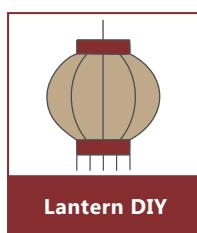

UTaipei is more than a university—it's a driving force behind Taipei's urban growth! With guidance from urban experts, you'll step into the role of a city planner. Learn how to design smart cities, manage public spaces, and create active, livable communities. From parks to people flows, it's your turn to shape the future of the city!

The Road to Teacher Master

Curious about becoming a teacher? Dive into fun, hands-on workshops that explore how great educators inspire learning. Discover creative teaching tools, classroom magic, and the heart behind education—right at the university where Taiwan's teacher training began.
