# Introduction

NYCU offers inbound international students an opportunity for academic and cultural immersion.

| Types                                              | Remarks                                                                                                                                        | How to apply                                                                                                                                   |
|----------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| Inbound Exchange Program                           | Students enrolled (or matriculated) at partner institutions and are nominated by their home institutions.                                      | The nomination link will be emailed to the partner institutions' coordinator(s) in every nomination period. The link differs in each semester. |
| Inbound Visiting Program<br>(self-funded exchange) | Students enrolled at partner institutions but not officially nominated by their home institutions; or, students from non-partner institutions. | Students apply directly via the online application system in the application period.                                                           |

## Important Dates

### Application timeline

Students may choose to exchange for one semester or one academic year.

\*Academic year at NYCU begins in September; full academic year exchange can only begin in Fall Semester.

| Semester                          | Nomination Deadline        | Application Deadline     |
|-----------------------------------|----------------------------|--------------------------|
| Fall Semester<br>(Sep. to Dec.)   | March 30 <sup>th</sup>     | April 15 <sup>th</sup>   |
| Spring Semester<br>(Feb. to Jun.) | September 30 <sup>th</sup> | October 16 <sup>th</sup> |

\*The confirmed academic calendar will be announced in late June each year.

## NYCUCourse Timetable

|                    |    |                                                                                                                                                                  |
|--------------------|----|------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Instruction</b> | 1. | Website: <a href="https://timetable.nycu.edu.tw/">https://timetable.nycu.edu.tw/</a>                                                                             |
|                    | 2. | Choose English in “Language”, and the system will switch to English version.                                                                                     |
|                    | 3. | Choose “College” in “Search for Department” and search for the program under the college you choose.                                                             |
|                    | 4. | Tick the box in front of “Other Search Parameters” and click on “English Medium Courses”.                                                                        |
|                    | 5. | The course list will be finalized two months before the start of each semester. Please look for the courses in the previous semesters during application period. |

# NYCU Departmental Application Requirements

## [NYCU Available Departments for Inbound Exchange Program](#)

**\*\*Please read the requirements carefully before applying\*\***

1. The department would review the applications and the supporting documents; each department reserves the right to reject or re-allocate applicants to appropriate departments.
2. Minimum credit requirement (per semester)  
**Undergraduate: 9 credits; Graduate: at least 2 courses**
3. **Students can choose courses across colleges and campuses (not limited to the enrolled department/college).**  
Please note that instructors reserve the authority to decline the students due to unfulfilled lecture prerequisites or limited teaching capacities.
4. **College of Management** is limited to Final-year undergraduate students and graduate students.

# Application Procedures

# Application Documents

## Required Documents

Please prepare all the documents and submit them to the online application system. The documents should **be PDF format and in English**.

| NO. | Documents                        | Remarks                                                                                                                                                                |
|-----|----------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1   | Application form                 | Both applicant and home institution' s coordinator have to sign the last page.                                                                                         |
| 2   | Curriculum vitae (CV)            | Personal resume in English.                                                                                                                                            |
| 3   | Study Plan                       | It may include your motivation and a tentative list of courses the student would like to take during the exchange period.                                              |
| 4   | Official transcript              | The academic records approved by the home institution and should be in English.                                                                                        |
| 5   | Official enrolment letter        | The enrolment letter from the home institution or "valid" student card.                                                                                                |
| 6   | Passport (Information page)      | It should have <b>at least 6 months of validity</b> .                                                                                                                  |
| 7   | Supporting document (optional)   | E.g. proof of language proficiency (English waived for students from Anglophone countries or English-medium institutions), certificate of awards or competitions, etc. |
| 8   | Recommendation letter (optional) | The letter from the home institution' s coordinators or professors.                                                                                                    |

## University Facilities

**Division of Overseas Student Affairs** is part of the Office of International Affairs, and is established to offer on-site services, such as accommodation, insurance, visa, registration and other student needs. Furthermore, International student society, host-family arrangement, and international student emergency are taken care of by them as well.

## Orientation

The on-site orientation will be held before or at the beginning of each semester start. It introduces NYCU to new international students.

## Free Chinese Courses

- Chinese Cultural Salon: Cultural experience courses
- Courses range from introductory to advanced levels (4 levels)
- Elective courses focusing on useful situational conversations

Chinese Language Division,  
Language Teaching and Research Center
